

Produced on a monthly basis by Right Stuf, Anime Today covers the latest news on upcoming releases for the next 2 months! Ready to buy? Right Stuf carries every anime title available in the US market from the most obscure to the latest mainstream hit. Visit our online store at www.animetoday.com and find what you're looking for today!

Consumer Notes: Now that summer's in full swing, everyone's itching for a little adventure! If you're looking for something that's stylish, clever, and a bit off the wall, there's the story of the master thief, Bandit King Jing! Or, if you're craving something a little darker and more mysterious, nothing beats Media Blasters' newest fantasy epic, Twelve Kingdoms. And finally, who could forget one of the greatest romantic adventures of them all — the one that got thousands of people started on the path to anime addiction — Season One of Sailor Moon, now on DVD and completely uncut!

ANIMANIAC'S PICK(S) OF THE MONTH

With the summer sun still blazing, the new releases are getting hotter and hotter! The explosive action and spectacular visuals in Heat Guy J DVD 1: Super Android will be too much to resist! If explosive action isn't what you're looking for, from Studio Gainax (Evangelion, His and Her Circumstances) comes FLCL (Fooly Cooly) Volume 3, the conclusion to the humorous and bizarre story about a boy, his brother's girlfriend, and a self-proclaimed space alien. Lastly, from the creators of Sailor Moon, the beginning of the final and most chilling chapter of Utena is here: the long-anticipated Revolutionary Girl Utena: Apocalypse Saga DVD 1: Temptation!
